

Sara Al Hammadi

Computer Science Student — American University of Sharjah

sara.alhammadi@[email].com | +971 5X XXX XXXX | Sharjah, UAE | linkedin.com/in/sara-alhammadi

EDUCATION

Bachelor of Science in Computer Science

Expected May 2027

American University of Sharjah (AUS), College of Engineering

- Relevant coursework: Data Structures & Algorithms, Database Systems, Operating Systems, Software Engineering, Computer Networks, Artificial Intelligence

TECHNICAL SKILLS

Languages: Python, Java, C++, JavaScript, SQL

Web & Tools: HTML/CSS, React, Node.js, Git/GitHub, Linux

Concepts: Data Structures, Algorithms, OOP, Database Design, Agile/Scrum

PROJECTS

Campus Event Finder — Web App

2025

- Built a full-stack web app for browsing and RSVPing to AUS campus events using React and Node.js
- Designed a relational database schema and REST API to manage event and user data

Maze-Solving Pathfinding Visualizer

2024

- Implemented BFS, DFS, and A* algorithms in Python with a Pygame-based visual interface

EXPERIENCE

Teaching Assistant — Intro to Programming

Fall 2025 – Present

AUS Department of Computer Science & Engineering

- Hold weekly lab sessions and office hours for 40+ students learning Python fundamentals
- Grade assignments and provide feedback on code quality and problem-solving approach

ACTIVITIES & LEADERSHIP

Member, AUS Computer Science Club

2023 – Present

- Participate in hackathons and coding workshops; helped organize a beginner-friendly Python bootcamp

LANGUAGES

Arabic (Native) · English (Fluent)
